

# PRICES & CHARGES

## Does the cost of a funeral worry you?

Whenever you look to compare prices for funerals, you should ensure that you are comparing the same elements, in other words apples with apples.

There are four parts to the cost of a funeral; the funeral director's service charges, the 'on the day' charges, additional items AND those of third parties such as the doctors, a celebrant or minister of religion as well as the crematorium, church or cemetery.

We have created some packages of commonly combined service elements to suit all tastes and budgets.

Alternatively, you might choose our bespoke service.

Either way, use our estimator (see overleaf) to put your mind at rest and get an estimate of the overall cost, not just of our charges but those of typical third party providers too.

## PRE-PAID FUNERALS

All of our funeral packages are available for purchase within a pre-paid funeral plan, in conjunction with our partner Ecclesiastical, part of an insurance group regulated by the Financial Conduct Authority for complete peace of mind, and Funeral Planning Authority compliant.

A management fee of £195, payable to Ecclesiastical, will be added to the cost of all pre-paid funeral plans when purchased.

All pre-paid plans, with the exception of the Purely Cremation package, are fully guaranteed in respect of Welham Jones' charges. Because they exclude third party charges a contribution toward those fees can be made at the time of purchase.

\*\*The Purely Cremation package includes third party charges and is fully guaranteed. For this reason, when purchased as a pre-paid plan it costs £1,575.
