## The Simple Farewell Service for Burial or Cremation

As professional funeral directors, we are required to offer a simple funeral service for either burial or cremation as defined by the Office of Fair Trading as follows:

Burial: **£2500**

This service takes place at a time arranged by ourselves and the burial ground. The service will be a simple graveside service only and you have the option of our in-house celebrant to say a short passage. This service includes the hearse only direct to the burial ground. A team of pallbearers and a Light Oak finish Coffin. Please note this service does not permit use of the chapel of rest for viewing.

Fully inclusive of:

Bringing the deceased into our care  
Burial and Grave Preparation Fees  
Viner & Sons Administration costs included.

Cremation: **£2000**

This service takes place at 9:00am at Vinters Park Crematorium. The service will be up to 20 minutes only and you have the option of our in-house celebrant to say a short passage, or you can listen to one or two pieces of music if you prefer. This service includes the hearse only direct to the crematorium. A team of pallbearers and a Light Oak finish Coffin. Please note this service does not permit use of the chapel of rest for viewing.

Fully inclusive of:

Bringing the deceased into our care  
Vinters Park Cremation fees  
Viner & Sons Administration costs included.

*Please note that any changes will result in this being transferred to the traditional funeral service.*

## Ashes Caskets and Interments

Solid Oak Ashes Casket complete with nameplate **£150**

Our attendance and preparation of a grave for cremated remains **£175**

Please note there are additional, statutory fees for interment in a churchyard or cemetery.

We are also able to arrange for ashes to be made into jewellery, glass and art. Please contact us to discuss your requirements.

## Memorials

The full cost of a memorial will depend on the style and material required plus the location where the memorial is to be fixed. A full estimate will be provided for approval following your initial consultation.

Where a memorial is required to be removed to our mason's premises prior to burial:

Lawn Memorial – Headstone and Base Only

To remove the complete memorial prior to burial and re-fix following additional memorial works  
from **£275**

Traditional Memorial – Headstone, Base, and full surround Kerb Set

To remove the complete memorial prior to burial and re-fix following additional memorial works  
Available on request

For new memorials, a comprehensive brochure and price list are available on request.
